1	The approved Research Agenda for the University is for the period 2014-2018. The revised research agenda for 2019 onwards is yet to be approved.	Series of consultative meetings with stakeholders were conducted and the BU RDE Agenda for 2024-2028 integrated in the BU- KUGOS (Kaalaman Ugnayan Gabay sa Organisasyon at Sangkatauhan) framework was approved during the 145th Regular meeting of the BU BOR with Board Secretary Certification No. 24 series of 2024. The Research Development and Extension Agenda for 2019-2023 was approved by the Bicol University Board of Regents on October 2, 2020 through BOR 594 s. 2020.	**BOR 594 series of 2020;** **Board Certification No. 4 series of 2024**	Link to the Supporting Documents for Recommendation # 1	
2	The Center for Technology Communication and Enterprise Development created by BOR # 39, s. 2014 is yet to fully function. The Manual of Operation is still to be approved by the Board. Similarly, the discipline-based centers created in 2016 are yet to craft their Manual of Operations.	The CTCED Manual of Operations has been approved through Board Resolution No. 612 s. 2020. Following the mandates of the center, the SILI DELI Technology Business Incubator and Bicol Agri-Aqua Technology Business Incubator (BATBI) has been established with an approved Manual of Operations through Board Resolution No. 620 in the year 2020 and Board Resolution No. 818 in the year 2022 respectively. In addition, in the year 2022 the center initiated the approval of the University Technology Transfer Protocol through the Board Resolution No. 813. Moreover, the Bicol Regional Food, Innovation and Commercialization Center Manual of Operations has been approved in the year 2022 through Board Certification No. 06 s. 2022; the Regional Center for Food Safety and Quality Assurance Manual of Operations was also approved on the same year with Board Certification No. 07 s. 2022. A Research Development and Extension Manual (RDEM) is being crafted incorporating all the functions and processes for the four divisions (RDMD, PKMD, IPMD and EMD) and the discipline-based research centers (BDRCs).	**Board certification;** **Designations of Director and Tehnical Staff of CTCED**	Link to the Supporting Documents for Recommendation # 2	
3	There are some Colleges that have not reported any research activity during the period 2015-2019. Likewise, there are some colleges with one or few research activities.	All colleges are actively pursuing research activities.
