AREA IV
RESEARCH

PARAMETER

A. Research Strategy and Capacity

SUC : Bicol University

Campus : main Campus

Date of Actual Survey : _____

AREA IV: RESEARCH

RATING SCALE						
NA	0	1	2	3	4	5
-	-	Poor	Fair	Satisfactory	Very Satisfactory	Excellent
Not Applicable	*Missing*	*Criterion is met minimally in some respects, but much Improvement is needed to overcome weaknesses (75% lesser than the standards)*	*Criterion is met in most respects, but some improvement is needed to overcome weaknesses (50% lesser than the standards)*	*Criterion is met in all respects (100% compliance with the standards)*	*Criterion is fully met in all respects, at a level that demonstrates good practice (50% greater than the standards)*	*Criterion is fully met with substantial number of good practices, at a level that provides a model for others (75% greater than the standards)*

Indicators	Item Rating (IR)	System – Implementation – Outcome Mean (SIOM)	Parameter Mean (PM)
PARAMETER A: RESEARCH STRATEGY AND CAPACITY			
SYSTEM – INPUTS AND PROCESSES			
S.1. The institution has a research agenda/program which is a product of collaborative efforts among its faculty, students and intended clientele/stakeholders; and is in consonance with its mission, and also with local, regional, national and international research thrusts and priorities.	5		
S.2. Faculty have research experience in other universities/research institutions in the Philippines and/or abroad.	5		
S.3. The faculty and staff possess the appropriate educational/academic/ training background to conduct research.	5		
S.4. The institution's research is supported by facilities and resources and funds available in the institution's budget and/or from other sources.	5		
S.5. The institution has a mechanism for disseminating significant results to the various clientele.	5	5.00	

Indicators	IR	SIOM	PM
IMPLEMENTATION			
I.1. The institution contributes to the discovery of new knowledge through its overall strategy for managing and developing its research.	4		
I.2. The institution adopts a mechanism for promoting a culture of inquiry, and research among its faculty, staff, and students.	4		
I.3. The institution's research addresses regional and national needs and priorities.	5		
I.4. The institution is successful in securing financial support for its research activities because it has strong linkages with the local, regional, national and international agencies (government and private), in terms of technical and funding support.	4		
I.5. There is support for graduate research students	3		
I.6. The institution conducts group/joint researches in collaboration with other institutions to address common general or national concerns.	4		
I.7. The institution has established an intellectual property office in order to address the needs of researches for patent application/registration-receiving intellectual property rights for utility model, patented technologies, copyright.	5		
I.8. The institution has a system of providing incentives to researchers who come up with quality research output(e.g. publication award).	5		
I.9. The institution has implemented/adopted the technology transfer to encourage R & D where to fully engage themselves.	5		
I.10. The institution supports the scientific career merit system to qualified non-teaching staff.	4	4.36	
OUTCOME/S			
O.1. The institution's research outputs are published in research journals.	4		

Indicators	IR	SIOM	PM
O.2. The research program contributes to the development of the community/nation by the economic benefits derived by the internal clientele.	4		
O.3. The institution is recognized for its research capability in the local, regional, national and/or international level	4		
O.4. The institution's research is at levels of international excellence as evidenced by their publication in refereed journals.	4		
O.5. The institution has created/established technology business to showcase which are ready for commercialization and adoption by the intended clientele.	5		
O.6. The institution has owned patents (invention or utility models), copyrights, trademarks and industrial designs.	4	4.17	4.49

AREA V

EXTENSION, CONSULTANCY and LINKAGES

PARAMETERS

A. Extension and Outreach

B. Networking and Linkages

SUC : Bicol University

Campus : Main Campus

Date of Actual Survey : _____

AREA V: EXTENSION, CONSULTANCY AND LINKAGES

RATING SCALE						
NA	0	1	2	3	4	5
-	-	Poor	Fair	Satisfactory	Very Satisfactory	Excellent
Not Applicable	*Missing*	*Criterion is met minimally in some respects, but much Improvement is needed to overcome weaknesses (75% lesser than the standards)*	*Criterion is met in most respects, but some improvement is needed to overcome weaknesses (50% lesser than the standards)*	*Criterion is met in all respects (100% compliance with the standards)*	*Criterion is fully met in all respects, at a level that demonstrates good practice (50% greater than the standards)*	*Criterion is fully met with substantial number of good practices, at a level that provides a model for others (75% greater than the standards)*

Indicators	Item Rating (IR)	System – Implementation – Outcome Mean (SIOM)	Parameter Mean (PM)
PARAMETER A: EXTENSION AND OUTREACH			
SYSTEM – INPUTS AND PROCESSES			
S.1. The institution has a well-defined extension program based on community needs relevant to its mission.	4		
S.2. There is a pool of technical experts that can provide the professional manpower for extension and other activities.	5		
S.3. An Extension Manual is available.	5		
S.4. The institution provides funding in its annual appropriations and from other sources for the conduct and sustainability of the extension program.	5		
S.5. The institution provides technologies for the extension programs.	4	4.60	
IMPLEMENTATION			
I.1. The institution implements the extension agenda.	4		

Indicators	IR	SIOM	PM
I.2. The institution contributes to the achievement of local/ regional/ national priorities (e.g., poverty alleviation, environmental management, health) through academic and non-academic programs.	5		
I.3. The institution promotes dialogue with professional organizations, industry, and other external groups, such as government and non-government organizations, socio-civic and religious groups.	4		
I.4. The institution responds to changing patterns and requirements of employment as well as to the needs of the community.	4		
I.5. The faculty and assigned staff, students and the community are involved in the planning, conduct and evaluation of the activities and projects to implement the extension agenda.	5	4.40	
OUTCOME/S			
O.1. Relevant extension/outreach programs/projects are made available to the community.	4		
O.2. Extension/Outreach programs make an impact in the lives of beneficiaries.	3	3.50	3.50
Best Practices:			
PARAMETER B: NETWORKING AND LINKAGES			
SYSTEM – INPUTS AND PROCESSES			
S.1. The institution has a program for promoting networking and linkages with local and international agencies/ institutions.	5		
S.2. There are adequate funding and administrative support to pursue links with other agencies work.	5	5.0	

Indicators	IR	SIOM	PM
IMPLEMENTATION			
I.1. The partner agencies and consortium arrangements contribute to the implementation of the curricular, research and extension programs of the institutions.	5		
I.2. The institution participates in academic and non-academic networks at program and institutional levels.	4		
I.3. The institution benefits from its partnerships, e.g., through acquisition of expertise and funding.	4		
I.4. The institution maintains strong links with industry, peer institutions, and funding agencies to strengthen its curricular offerings, forge mutually beneficial arrangements along research, extension, faculty/student exchange and graduate employability.	5		
I.5. The Institution maintains effective links with local governments, community organizations and educational institutions, and these are used to define priorities for extension program.	5	4.60	
OUTCOME/S			
O.1. Partnerships are sustained.	4		
O.2. The community strongly support the institutions programs.	4	4.0	
			4.53
