AREA VI
SUPPORT to STUDENTS

PARAMETERS

A. Recruitment, Admission and Academic Support

B. Student Scholarships

C. Student Services

D. Placement Support

SUC : Bicol University

Campus : Main Campus

Date of Actual Survey : _____

AREA VI: SUPPORT TO STUDENTS

RATING SCALE						
NA	0	1	2	3	4	5
-	-	Poor	Fair	Satisfactory	Very Satisfactory	Excellent
Not Applicable	*Missing*	*Criterion is met minimally in some respects, but much Improvement is needed to overcome weaknesses (75% lesser than the standards)*	*Criterion is met in most respects, but some improvement is needed to overcome weaknesses (50% lesser than the standards)*	*Criterion is met in all respects (100% compliance with the standards)*	*Criterion is fully met in all respects, at a level that demonstrates good practice (50% greater than the standards)*	*Criterion is fully met with substantial number of good practices, at a level that provides a model for others (75% greater than the standards)*

Indicators	Item Rating (IR)	System – Implementation – Outcome Mean (SIOM)	Parameter Mean (PM)
PARAMETER A: Recruitment, Admission and Academic Support			
SYSTEM – INPUTS AND PROCESSES			
S.1. The institution adopts a program and procedures for the selection of prospective students, and the retention of the most deserving.	5		
S.2. There is a well-organized, properly administered and adequately staffed student services unit.	3		
S.3. The institution has a system to identify the special learning needs of students.	5	4.33	
IMPLEMENTATION			
I.1. The institution recruits and selects students based on clear policies and operational guidelines.	5		
I.2. The institution provides counseling, academic advising and other intervention measures.	5		

Indicators	IR	SIOM	PM
I.3. There are programs that provide for orientation of new and old students.	4		
I.4. The institution admits students from special groups (e.g., financially disadvantaged, tribal groups, physically challenged) and ensures that they are given fair consideration.	5	4.75	
OUTCOME/S			
O.1. Admission policies provide fair access to education.	5		
O.2. Rate of retention and completion are consistently high.	5	5.00	4.69
Best Practices:			
PARAMETER B: STUDENT SCHOLARSHIPS			
SYSTEM – INPUTS AND PROCESSES			
S.1. The institution has a well-defined and sustainable scholarship program and grants which enable beneficiaries to complete their studies successfully within the prescribed period.	5		
S.2. Deserving students get an education through the institution's scholarship programs, which include various groups of beneficiaries, including special groups.	5		
S.3. Resources are available to support beneficiaries throughout the duration of studies.	4		
S.4. There is a system that monitors the performance of graduates to ensure that the scholarship program is working as expected.	5	4.75	

Indicators	IR	SIOM	PM
IMPLEMENTATION			
I.1. Deserving students are selected based on eligibility criteria and procedures for the award of scholarships and study grants.	5		
I.2. Benefits are maximized through guidance and the scholarships awarded to the students.	5		
I.3. Scholarships facilitate the completion of degrees sometimes even ahead of the prescribed period.	4		
I.4. Scholarship programs are periodically evaluated and revised as needed.	4	4.50	
OUTCOME/S			
O.1. Graduates enter employment that are appropriate to the aims of the scholarship program.	4		
O.2. Student quality is ascertained because of adherence to scholarship guidelines.	5		
O.3. Diversity of student population is visible because of the different interests of the students in activities participated in.	4		
O.4. Rate of completion is higher for scholars.	4		
O.5. Employment rate is 70% higher for high academic performers.	4		
O.6. Performance of graduates as grantees in Board Examinations is consistently high.	5	4.33	4.53
Best Practices:			

Indicators	IR	SIOM	PM
PARAMETER C: STUDENT SERVICES			
SYSTEM – INPUTS AND PROCESSES			
NON - ACADEMIC SUPPORT			
S.1. There exists a functional guidance program and services available to all students needing assistance that ensures maximum benefit from the support they receive.	5		
S.2. There are structures that address immediate needs of students.	4		
S.3. An effective employment and placement program is available	5		
S.4. A system of monitoring student performance is maintained.	5		
S.5. A publication unit that provides an avenue for students' expression and accomplishment exists.	5		
S.6. A system to evaluate and monitor the student services program implementation is in place.	5	4.83	
IMPLEMENTATION			
I.1. Students are active participants in major committees and policy-making bodies particularly those affecting student welfare and development.	5		
I.2. Students avail themselves of the programs offered in the student services unit.	5		
I.3. Students are active in student organizations and publication.	5		
I.4. The institution provides opportunities for student participation in program planning and policy formulation.	5		
I.5. The institution adequately provides a variety of services to promote health, spiritual, and socio-cultural development of the students while completing their studies.	4		

Indicators	IR	SIOM	PM
I.6. Evaluation and monitoring of service program implementation is regularly done.	4	4.67	
OUTCOME/S			
O.1. Special programs help enhance the students' development, including management of discipline.	4		
O.2. Leadership qualities of students are demonstrated by the participation in various fora and awards received in various competitions.	4		
O.3. A certain level of empowerment is manifested in student participation in decision - making and opportunities for self-improvement.	4	4.00	4.50
Best Practices:			
PARAMETER D: PLACEMENT SUPPORT			
SYSTEM – INPUTS AND PROCESSES			
S.1. The program is managed by competent staff.	5		
S.2. A system of monitoring the employment and performance of graduates is maintained.	4	4.50	
IMPLEMENTATION			
I.1. The institution exposes students to a wide range of opportunities to develop their potential.	5		

Indicators	IR	SIOM	PM
I.2. The institution has links with employers to facilitate placement opportunities.	5	5.00	
OUTCOME/S			
O.1. Students are able to plan for their career/future through career orientation and job placement programs.	5		
O.2. High level of performance of students in schooling and on – the - job training.	4		
O.3. The placement program improves the percentage of employed graduates.	4	4.33	4.61
Best Practices:			

Total Rating: 18.33

Area Mean: 4.58
