AREA VIII

INFRASTRUCTURE and other LEARNING RESOURCES

PARAMETERS

A. School Campus/Site

B. Infrastructure

C. Laboratories and Shops

D. Non-Print, Digital and Electronic Resources

SUC : Bicol University

Campus : Main Campus

Date of Actual Survey : _____

AREA VIII: INFRASTRUCTURE AND OTHER LEARNING RESOURCES

RATING SCALE						
NA	0	1	2	3	4	5
-	-	Poor	Fair	Satisfactory	Very Satisfactory	Excellent
Not Applicable	*Missing*	*Criterion is met minimally in some respects, but much Improvement is needed to overcome weaknesses (75% lesser than the standards)*	*Criterion is met in most respects, but some improvement is needed to overcome weaknesses (50% lesser than the standards)*	*Criterion is met in all respects (100% compliance with the standards)*	*Criterion is fully met in all respects, at a level that demonstrates good practice (50% greater than the standards)*	*Criterion is fully met with substantial number of good practices, at a level that provides a model for others (75% greater than the standards)*

Indicators	Item Rating (IR)	System – Implementation – Outcome Mean (SIOM)	Parameter Mean (PM)
PARAMETER A: SCHOOL CAMPUS/SITE			
SYSTEM – INPUTS AND PROCESSES			
S.1. The school campus/site meets the requirements on location, accessibility, topography, soil condition, size and disaster/risk reduction.	5	5.00	
IMPLEMENTATION			
I.1. Current policies on environmental management and sustainable development approaches are evident and cascaded into the faculty, students and stakeholders.	4		
I.2. The existing school site complies with the national standard requirements set by the government	5		
I.3. The institution conducts periodic analysis of water quality and disposes its wastes properly.	3	4.00	
OUTCOME/S			
O.1. Campus-related accidents are minimal.	5		

Indicators	IR	SIOM	PM
O.2. Campus is adaptable to changes in climate and resilient to tremors and storms.	5		
O.3. Campus environment and landscape are impressive and well-maintained.	4		
O.4. Permanence of the academic campus and buildings in the present site is ensured.	5		
O.5. Number of guest lecturers/visitors/students visiting the campus or doing academic work has improved/increased.	5		
O.6. The campus usually gets the praise of everyone who visits it.	5	4.83	4.61
Best Practices:			
PARAMETER B: INFRASTRUCTURE			
SYSTEM – INPUTS AND PROCESSES			
NON ACADEMIC SUPPORT			
S.1. There are adequate buildings and provisions for classrooms, offices, staff rooms, study areas, clinics, student center, cafeteria, food outlets, comfort rooms and other amenities equipped with needed facilities.	4.50		
S.1.1. The existing school infrastructure and facilities meet the academic, administrative and other needs of the institution.	5		
S.1.2. School infrastructures conform to standards of comfort to students, faculty, staff and other stakeholders with special needs.	4		
S.2. The institution has a system for periodic maintenance, repair and upkeep of its buildings and facilities.	4		

Indicators	IR	SIOM	PM
S.3. There are trained manpower to handle maintenance, repair and upkeep works.	5	4.63	
IMPLEMENTATION			
I.1. There is optimum utilization of existing infrastructure and facilities by faculty and students.	5		
I.2. Funds are allocated for the repair and maintenance of buildings and facilities.	5		
I.3. The institution regularly monitors the condition of its buildings and facilities to within fully functional status.	5		
I.4. School infrastructures are built in compliance with national standards in terms of design; strength to withstand earthquakes, typhoons, fire hazards and other natural and man-made calamities; or other operational requirements such as sanitary permits, building certificates, environmental compliance, etc.	5		
I.5. The existing school infrastructures are periodically monitored and improved to meet the current and emerging needs of education and training.	4		
I.6. Risk identification and analysis; and control activities are conducted and properly documented.	4	4.67	
OUTCOME/S			
O.1. Improved faculty and student performance are based on student/faculty satisfaction.	5		
O.2. Accidents due to infrastructure are minimal.	5		
O.3. Stakeholders are proud of and happy about the school facilities.	5	5.0	4.76

Indicators	IR	SIOM	PM
Best Practices:			
PARAMETER C: LABORATORIES AND SHOPS			
SYSTEM – INPUTS AND PROCESSES			
S.1. There are adequate and properly maintained laboratories and shops to support the academic programs of the institution.	4		
S.2. Laboratories and shop rooms are equipped with functional tools, equipment, supplies and materials to support student learning.	4		
S.3. Adequate funds are available for the proper maintenance of laboratories and shops.	5	4.33	
IMPLEMENTATION			
I.1. Equipment/tools and supplies/materials in the laboratories and shops are regularly checked and cleaned.	4		
I.2. There are provisions to minimize exposure to risks and to prevent accidents in the laboratories and workshops.	5		
I.3. A well-placed and marked emergency materials are strategically located in the laboratories and shops.	5		
I.4. Laboratories and shops have two doors that open out for ease of movement during emergency.	5	4.75	
OUTCOME/S			
O.1. Faculty and students' productivity are improved because of their access to laboratories and shop room facilities that may be needed to learn particular skills in the program.	5		
O.2. The good condition of classrooms, offices and laboratories and other facilities are contributory to the achievement of desired learning outcomes.	5		

Indicators	IR	SIOM	PM
O.3. There is minimal danger of accidents occurring in laboratories and shop rooms.	5	5.00	4.69
Best Practices:			
PARAMETER D: NON-PRINT, DIGITAL AND ELECTRONIC RESOURCES			
SYSTEM – INPUTS AND PROCESSES			
S.1. Provisions for non-print, digital and electronic resources are available	5		
S.2. Funds are budgeted for purchase of non-print, digital and electronic resources.	5	5.00	
IMPLEMENTATION			
I.1. Memos issued regarding provisions for non-print, digital and electronic resources are religiously followed.	5		
I.2. Purchase of updated non-print, digital and electronic resources is regularly done.	5	5.00	
OUTCOME/S			
O.1. Completed projects and compilation of lectures are promptly reported and submitted.	5		
O.2. Faculty and staff have better presentations and up-to-date reports.	5	5.00	5.00

Indicators	IR	SIOM	PM
Best Practices:			

Total Rating: 19.07

Area Mean: 4.77
